Teal Girl with Rose

Copics used: BG13/15/18, E00/01, RV10/32/34, Y06/08, G20/21/24, C2 (shadow)

Color the image with the Copic colors used or some other means. Layer to the corresponding piece of black card stock.

Layer the teal piece to the black card stock, then attach the colored piece to that. Apply adhesive on the back of the piece and wrap the ribbon around the layer before attaching to the front of the base card.

Blue Girl with Snowdrops

Copics used: BG000/01/02, E00/01, YG23/25, B60 (flowers), C2 (shadow)

Color the image with the Copic colors used or some other means. Layer to the corresponding piece of black card stock.

Run the piece of aqua card stock through the dotted embossing folder. Stamp the words on piece afterwards. Recommend using a positioning tool if you have one, as it may take several layers because of the embossed design. Layer to the matching black card stock. Attach the colored piece to the left side of piece.

Apply adhesive on the back of the piece and wrap the ribbon around the layer before attaching to the front of the base card.
