

Stamped Designs Bamboo Roses Class

Take Care Card

Copic Pens used: Y00/Y02/Y06, G40/G43

1. Color the 2 rose images with the Copic pens listed or with the coloring medium of your choice. Fussy cut the roses out with scissors.
2. Attach the thin black strip to the front of the card with wet glue. Layer the 2 circles together – the white one is positioned off-center, with the left side of the circle almost to the left edge of the black circle. Attach to the front of the card so that it just goes over the edge of the black strip.
3. Attach the flowers with foam squares as shown. Fishtail cut the right edge of the words piece and attach to the front of the card as shown. Attach the silver sequins as shown with wet glue.

Happy Birthday Card

Copic Pens used: R81/R83/R85, G40/G43

1. Color the 3 rose images with the Copic pens listed or with the coloring medium of your choice. Fussy cut the roses out with scissors.
2. Layer the light pink embossed piece to the black card and then layer to the front of the base card. Attach the roses to the front of the card with foam squares, as shown.
3. Attach the words piece with foam tape on the right side and a little wet glue onto the roses on the left. Attach the silver sequins as shown with wet glue.

Thinking of You Card
